On October 26, 2005, the Board dismissed applicant's appeal for failure to timely file his brief, and to provide an acceptable explanation for the five-month delay in filing such brief. Applicant filed a request for reconsideration of that decision on November 26, 2005, along with a request for a refund of the fees submitted in connection with the application. The Board denied this request on November 29, 2005. Applicant has now filed, on December 29, 2005, a request for reconsideration of that denial. The rules do not provide for repeated requests for reconsideration of Board decisions. As noted, the Board denied applicant's request for reconsideration on November 29, 2005. Therefore, the Board's dismissal of the appeal stands.
